

REMARKS

Applicants submit the present paper in response to the Election Requirement mailed June 15, 2007. In response to the Election Requirement, **Applicants hereby elect Species II.**

While the Office Action states that Species II includes Claims 22-24, 27-31 and 65-67, Applicants respectfully submit that Species II includes each of Claims 12, 18-24, 27-31, 50-52, 55-58, 60 and 63-66. Accordingly, each of the above-referenced claims remains pending, and Applicants have withdrawn non-elected Claims 25-26, 53-54, 59, 61-62 and 67-69. Applicants have cancelled Claims 15 and 16 as they each depended from a previously cancelled claim and were inadvertently not cancelled earlier.

The Election Requirement further states that no claims are generic. Applicants respectfully submit, however, that at least Claims 50-52 and 63 are generic to all three identified species. In addition, Claims 12, 18-21, 55 and 64 are generic to Species I and II, and Claims 22-24, 28-31, 56-57 and 65-66 are generic to Species II and III. Applicants note that as of the prior Office Action Claims 12, 18-21 and 50-64 stood allowed, and hence it appears that as claims that are generic to all three species are allowed, all of the pending claims should remain under examination. Applicants respectfully submit that for the reasons set forth in Applicants prior Amendment all of the pending claims are now in condition for allowance, and hence a Notice of Allowance allowing all of the pending and withdrawn claims is respectfully requested at this time.

Respectfully submitted,
